

Health, Safety & Environment Policy

Continuous improvement of HSE performance and working environment is a key success criterion making Nekkar AS the preferred global partner in Aquaculture and Renewables solutions.

- Nekkar AS has a zero-incident target.
- Nekkar AS shall comply with all applicable rules and regulations to prevent accidents, injuries and damage to people, environment, and assets.
- Each employee has a duty to stop activities with high HSE risk, and report any workplace conditions or practices that could impact quality, safety, environment, or products
- All employees shall take ownership of the Management System and shall adhere to all HSE standards determined by the management
- Nekkar AS recognizes that HSE is everyone's responsibility and that everyone has a duty to intervene to prevent unsafe actions and to promote good safety behavior.
